Living with Earthquakes – towards a model for Amandola and the Marche region

Welcome and introduction

Nicholas Ray
Living with Earthquakes –
towards a model for Amandola and the Marche region

The Martin Centre is the research arm of the Department of Architecture at the University of Cambridge

The Centre was founded by Professor Sir Leslie Martin in 1967 as the Centre for Land Use and Built Form Studies, and formally became The Martin Centre in 1974.

Sir Leslie Martin (1908 – 2000)
Professor of Architecture, University of Cambridge
Fellow of Jesus College
